1. We hereby verify and attest that the answers to all questions on the enrollment application are correct and valid. This includes information regarding family income, primary home language survey, and verification of residency in the State of Arizona.
2. We have read and understand the parent and student handbook that describes Primavera's® policies and procedures. We will uphold and honor them. We acknowledge and agree that the student shall be automatically enrolled in the PSP (Parent/Student Portal) Community unless we opt-out of this service in the area listed below. We understand we have the option to opt-out of or opt back into the PSP Community at any time, so long as notification is provided in writing to my Student Advisor.
 We/I do not give consent our/my son/daughter to participate in the PSP Community
3. We have read our rights as outlined on the notification of rights under FERPA (Family Educational Rights Privacy Act) for Elementary and Secondary institutions and the notification of rights under the protection of the Pupil Right Amendment (PPRA).
4. We acknowledge that Primavera® may release "directory information" pertaining to our son/daughter (or pertaining to me if I am an "eligible student" as defined by FERPA) without our prior written consent, unless we have indicated that we do not agree to this disclosure as indicated below. "Directory information" includes, but is not limited to, the student's name, city of residence, email address, photograph, grade level and current class enrollment. 6. It is the student/parent/guardian's responsibility to ensure the student's work is authentic and original. Teachers use numerous methods to verify the authenticity of student work. As a secondary effort to ensure authenticity, an adult must observe and validate the integrity of the student's work on a regular basis.
